

COMPACT PROFESSIONAL CB RADIO

with Dual-Mode AM/FM

DUAL-MODE
AM/FM

ENHANCED BY REAL DRIVERS

The Cobra 25 LTD Classic offers dual-mode AM/FM for clearer communication with better sound. The Classic is Cobra's smallest Professional CB and delivers the same great performance, durability, and easy-to-use controls as the 29 LTD. It also includes Noise Blanker, Automatic Noise Limiter, and Dynamike for voice amplification, and dimmer control.

COBRA CB INNOVATION

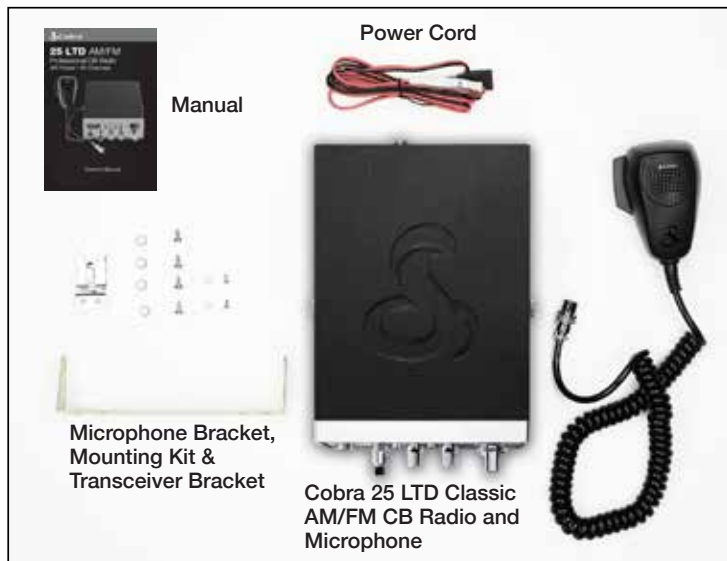

Cobra led the charge in the FCC's 2021 decision to add dual-mode AM/FM for use in CB radios in the United States. Now with FM capabilities, our CB radios will produce better sound quality and you won't need to replace your existing antenna. In addition, our new AM/FM CB radios are backwards compatible to be able to communicate with older AM-only CB radios.
