

PROFESSIONAL AM/FM CB RADIO

The #1 Choice for Professional Drivers

OVER 50 YEARS OF EXCELLENCE

The Cobra 29 LTD Classic continues to be the #1 choice for pro drivers and now offers dual-mode AM/FM for clearer communication with better sound. The Classic delivers great performance, durability, and easy-to-use controls including Noise Blanker and Automatic Noise Limiter, SWR antenna check, and reliable Channel 9 access.

COBRA CB INNOVATION

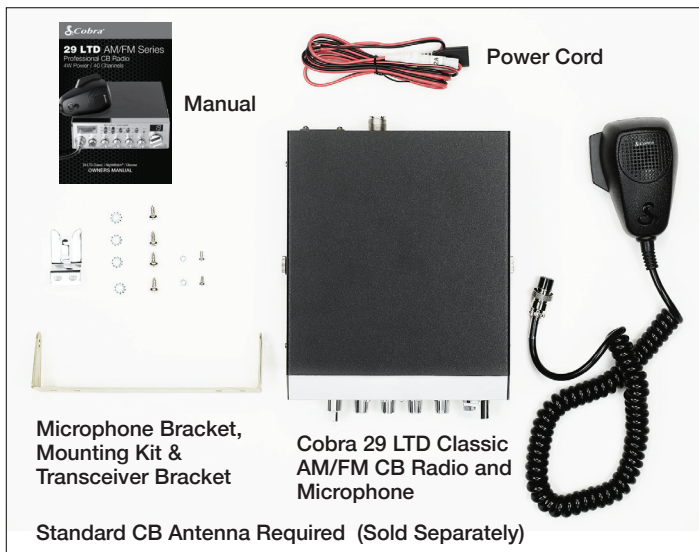

Cobra led the charge in the FCC's 2021 decision to add dual-mode AM/FM for use in CB radios in the United States. Now with FM capabilities, our CB radios will produce better sound quality and you won't need to replace your existing antenna. In addition, our new AM/FM CB radios are backwards compatible to be able to communicate with older AM-only CB radios.
