

Radars Detectors

Detects ALL
Radar/Laser Guns

RAD350

With an easy-to-read 7-segment color display and tone alerts, the Cobra RAD 350 keeps drivers aware of their surroundings while protecting them against all radar and laser guns used today.

Cobra[®]

Anti-Falsing Circuitry & In-Vehicle Technology (IVT) Filter not only reduces false alerts from blind spot systems and traffic flow monitoring devices, but also eliminates erroneous alerts from sources like collision avoidance systems, so users hear just what they need to hear. **The 7-Segment Color Display** provides intuitive band identification icons for easy-to-understand alerts for an accurate and informed drive.

FEATURES:

- Radar/Laser Protection – Detects all radar signals (X, K and K bands signal strength indicated), laser and VG-2 signals
- Instant-On Ready - Detects radar guns with “instant-on” (very fast) speed monitoring capabilities
- Laser Eye detects laser signals from both front and rear
- Anti-Falsing Circuitry
 - Adjustable Sensitivity: automatically reduce false alerts from erroneous sources including garage door openers and fixed position traffic flow monitoring systems
 - IVT Filter: Automatically reduces false alerts from moving In-Vehicle Technology sources such as collision avoidance systems and adaptive cruise control
- Bright, easy-to-read display with intuitive band identification icons for easy viewing in any light
- Dim Mode allows the user to dim the radar detector display enhancing night driving visibility.
- Tone Alerts - unique tones with adjustable volume provide signal strength and band identification.
- Digital Signal Strength Meter provides the user with relative proximity to the target.
- Power Cord and Mount Included

SPECIFICATIONS:

Unit Dimensions	4.35”H x 2.8”W x 1.3”D (110.49mm H x 71.12mm W x 33.02mm D)
Unit Weight (lbs.)	0.25 lbs. (0.11 kg.)
Individual Box Dimensions	10.24”H x 6.69”W x 2.00”D (260mm H x 170mm W x 50.8mm D)
Individual Box Weight	0.70 lbs. (0.31kg.)
Model	RAD350
Master Pack Qty.	4
Master Pack Dimensions	12.25”H x 8.5”W x 7.5”D (311.15mm H x 215.9mm W x 190.5mm D)
Master Pack Weight	3.8 lbs. (1.7kg.)
UPC #	028377 10720 7
Master Pack Barcode	1 00 28377 10720 4
